WHO WE ARE (A.A. PREAMBLE)**

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; we are self-supporting through our own contributions. A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy, neither endorses nor opposes any causes. Our primary purpose is to stay sober and help other alcoholics to achieve sobriety.

RESPONSIBILITY STATEMENT

I am responsible...
When anyone, anywhere,
reaches out for help, I want
the hand of A.A. always to be there.
And for that: I am responsible.

TO THE NEWCOMER

The most important thing is to keep coming back. If your first meeting doesn't suit you, try another, and another. Ask for phone numbers. Use them. Soon you will discover a group where you feel comfortable, and be surrounded by people who freely offer you support on your journey of recovery.

GET INVOLVED

All A.A. members are welcome to attend any of the preceding service meetings or committees.

Carrying the message of recovery to the still-suffering alcoholic is the basic service the A.A. fellowship gives; it is our principal aim and the main reason for our existence.

Whether new or around for a while, find out ways you can contribute by visiting the section on doing service at

www.ottawaaa.org.

IS A.A. FOR YOU?

Do you think you have a drinking problem? Only you can answer that question. We've prepared **12 questions** to help you decide.

The answers are nobody's but your own:

- 1.** Have you ever decided to stop drinking for a week or so, but only lasted for a couple of days?
- 2.** Do you wish people would mind their own business about your drinking — stop telling you what to do?
- 3.** Have you ever switched from one kind of drink to another in the hope that this would keep you from getting drunk?
- 4.** Have you had to have an eye-opener upon awakening during the past year?
- 5.** Do you envy people who can drink without getting into trouble?
- 6.** Have you had problems connected with drinking during the past year?
- 7.** Has your drinking caused trouble at home?
- 8.** Do you ever try to get “extra” drinks at a party because you do not get enough?
- 9.** Do you tell yourself you can stop drinking any time you want to, even though you keep getting drunk when you don't mean to?
- 10.** Have you missed days of work or school because of drinking?
- 11.** Do you have “blackouts”?
- 12.** Have you ever felt that your life would be better if you did not drink?

WE ARE HERE TO HELP

A.A. does not promise to solve all life's problems. But we can show you how we are learning to live without drinking "one day at a time." We stay away from that "first drink." If there is no first one, there cannot be a tenth one. And when we got rid of alcohol, we found that life became much more manageable. Here are some suggestions to help you get started on your journey:

Learn about the A.A. Program of Recovery

Visit the **Find Help** section at www.ottawaaa.org for information and links to pamphlets produced by the A.A. General Service Office. Free hard copies and newcomer packages are also available at meetings.

Contact Us in Ottawa

If you still have questions, call our helpline at **613.237.6000**. It's open between 10AM and 10PM, 7 days a week. You can also email us at info@ottawaaa.org.

Attend a Local Meeting

There are hundreds of A.A. meetings a week in Ottawa and surrounding regions of Eastern Ontario and Western Quebec. If you think you have a drinking problem, you can go to any of these at anytime. There is no cost, no registration, and it's completely anonymous. You become a member when you say you are. All you need to do is show up!

Meet us in Person

We know it can be intimidating to go to a new place for the first time. We can arrange to have two A.A. members meet you in advance. They can respond to your questions, and if you are still interested, accompany you to a meeting. Please contact us to make arrangements.

THE TWELVE STEPS*

- 1.** We admitted we were powerless over alcohol—that our lives had become unmanageable.
- 2.** Came to believe that a Power greater than ourselves could restore us to sanity.
- 3.** Made a decision to turn our will and our lives over to the care of God as we understood Him.
- 4.** Made a searching and fearless moral inventory of ourselves.
- 5.** Admitted to God, to ourselves and to another human being the exact nature of our wrongs.
- 6.** Were entirely ready to have God remove all these defects of character.
- 7.** Humbly asked Him to remove our shortcomings.
- 8.** Made a list of all persons we had harmed, and became willing to make amends to them all.
- 9.** Made direct amends to such people wherever possible, except when to do so would injure them or others.
- 10.** Continued to take personal inventory and when we were wrong promptly admitted it.
- 11.** Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
- 12.** Having had a spiritual awakening as the result of these steps, we tried to carry this message to alcoholics, and to practice these principles in all our affairs.

THE TWELVE TRADITIONS*

- 1.** Our common welfare should come first; personal recovery depends upon A.A. unity.
- 2.** For our group purpose there is but one ultimate authority—a loving God as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- 3.** The only requirement for A.A. membership is a desire to stop drinking.
- 4.** Each group should be autonomous except in matters affecting other groups or A.A. as a whole.
- 5.** Each group has but one primary purpose—to carry its message to the alcoholic who still suffers.
- 6.** An A.A. group ought never endorse, finance, or lend the A.A. name to any related facility or outside enterprise, lest problems of money, property, and prestige divert us from our primary purpose.
- 7.** Every A.A. group ought to be fully self-supporting, declining outside contributions.
- 8.** Alcoholics Anonymous should remain forever non-professional, but our service centers may employ special workers.
- 9.** A.A., as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
- 10.** Alcoholics Anonymous has no opinion on outside issues; hence the A.A. name ought never be drawn into public controversy.
- 11.** Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, and films.
- 12.** Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities.
