

We will also be holding **2 mock Assembly sessions**. If there is anyone who would like to join us, it would be very helpful to our registration team to give them some practice, as well as help you to feel comfortable with the features that will allow you to make the most of the Assembly weekend (i.e., Breakout rooms, closed captioning, voting (see meeting procedures).

If your only way to access the Virtual Assembly is by telephone-that is okay. You can call one of the In-country phone numbers.

Be sure to check out the [Assembly Dashboard](#) to know how you can connect to the events.

We hope you and members of your group will join us on one or both of the mock sessions and we really hope to see you at the Service Information day workshops and Assembly!!
